ORIGINAL MEMOIRS AND CLINICAL LECTURES.

BY H. C. WOOD, JR.

NATURAL HISTORY.

Botanical.

Contributions to the Carboniferous Flora of the United States. Parts I. and II. *Proceedings of the Academy of Natural Sciences*, 1860.

Catalogue of Carboniferous Plants in the Museum of the Academy of Natural Sciences, with Descriptions of Three New Species. *Proceedings of the Academy of Natural Sciences*, 1860.

Contribution to our Knowledge of the Flora of the Coal Period in the United States. 4to, 10 pages, 2 plates. *Transactions of the American Philosophical Society*, 1866.

Monograph of the Fresh-Water Algæ of North America. 4to, 270 pp., 19 colored, 2 uncolored plates from 360 original microscopic drawings. *Smithsonian Contributions to Knowledge*, 1872.

Entomological.

Description of New Species (19) of Scolopendra. *Proceedings of the Academy of Natural Sciences*, 1861, 10.

Description of a New Species of the Genus Thelyphonus. *Proceedings of the Academy of Natural Sciences*, 1861, 312.

Description of New Species (9) of North American Pedipalpi. *Proceedings of the Academy of Natural Sciences*, 1863.

Description of New Species (10) of North American Polydesmidæ. *Proceedings of the Academy of Natural Sciences*, 1864.

Descriptions of New Species (14) of North American Julidæ. *Proceedings of the Academy of Natural Sciences*, 1864.

Description of New Genera (2) and Species (2) of North American Myriapoda. *Proceedings of the Academy of Natural Sciences*, 1864.

Description of a New Genus and New Species (2) of Poly-zoniidæ. *Proceedings of the Academy of Natural Sciences*, 1865.

Descriptions of New Species (4) of Texan Myriapoda. *Proceedings of the Academy of Natural Sciences*, 1867.

Notes on California Myriapoda, with Descriptions of Six New Species. *Proceedings of the Academy of Natural Sciences*, 1867.

Monograph of the Pedipalpi of North America. 4to, 20 pp., 1 plate. *Journal of the Academy of Natural Sciences*, 1862.

Monograph of the Chilopoda of North America, with a Catalogue of all the Specimens in the Collection of the Smithsonian Institute. 4to, 52 pp., with figures in text. *Journal of the Academy of Natural Sciences*, 1861.

Monograph of the Myriapoda of North America. 4to, 112 pp., with 61 figures in the text, and 3 plates. *Transactions of the American Philosophical Society*, 1865.

Monograph of the Phalangidæ of North America. *Proceedings of the Essex Institute*, 1868.

EXPERIMENTAL PHYSIOLOGY AND THERAPEUTICS.

An Examination into the Truth of the Asserted Production of General Diseases by Organized Entities. 20 pp. *American Journal of the Medical Sciences*, lvi. 333.

A Contribution to our Knowledge of the Physiological Action of the Alkaloids Viridia, Veratroidia, and Veratria of Commerce, and of the Resin of Veratrum Viride. 17 pp., 35 Experiments. *American Journal of the Medical Sciences*, lix. 36.

On the Influence of Section of the Cervical Pneumogastrics upon the Action of Emetics and Cathartics. 24 pp., 51 Experiments. *American Journal of the Medical Sciences*, lx. 75.

Acetic Ether as an Anæsthetic. 1 p. *American Journal of the Medical Sciences*, lx. 137.

Contribution to our Knowledge of the Physiological Action of Atropia. Part I. 4 pp., 10 Experiments. *American Journal of the Medical Sciences*, lxi. 128. Part II. 9 Experiments, 10 pp. *Ibid.*, lxxv. 333.

Experimental Researches on the Physiological Action of Nitrite of Amyl. *Warren Prize Essay*. 24 pp., 49 Experiments. *American Journal of the Medical Sciences*, lxii. 39.

A Contribution to our Knowledge of the Vaso-Motor Action of Ergot. 4to, 2 pp., 8 Experiments. *Philadelphia Medical Times*, May, 1874.

On the Oxytocic Action of Quinine. 2 Experiments. *Philadelphia Medical Times*, iv.

An Investigation into the Action of Veratrum Viride. Pamphlet, 50 pp., 48 Experiments. Reprinted from *Philadelphia Medical Times*.

A Study of the Nature and Mechanism of Fever. 45 pp., 13 Experiments. *Toner Lecture*. *Smithsonian Miscellaneous Collection*, 1875.

Thermic Fever, or Sunstroke. *Boylston Prize Essay*. 12mo, 128 pp., 29 Experiments. J. B. Lippincott & Co., 1872.

American Hemp. *Prize Essay*. *Proceedings of the American Philosophical Society*.

A Study of Convulsants. 4to, 4 pp., 16 Experiments. *Philadelphia Medical Times*, vol. iii.

A Treatise of Therapeutics, with special reference to the CLINICAL MEDICINE. *physiological action of Medicines*

On Sunstroke. 6 pp. *American Journal of the Medical Sciences*, xlvi. *2 editions*

Case of Leucinosia or Yellow Atrophy of the Liver. 13 pp. *(Containing* *American Journal of the Medical Sciences*, liii. 418. *Much original*

On Acute Dropsy, Scarlatinal and Idiopathic. 11 pp. *American Journal of the Medical Sciences*, lxii. 75. *(Material)*

Therapeutic Value of Nitrite of Amyl. 4 pp. *American Journal of the Medical Sciences*, lxii. 359.

On the Relations of Leucocythæmia and Pseudoleukæmia. 12 pp. *American Journal of the Medical Sciences*, lxii. 373.

Reports of Medical Cases. Various Papers. *Pennsylvania Hospital Reports*, 1868. *Philadelphia Medical Times*, vol. i. to vol. v.

Clinical Lectures.

- On the Use of Calomel in Functional Hepatic Diseases.
- On Paralytic Enteritis.
- On the Use of Gallic Acid in Albuminuria.
- On the Use of Digitalis in Diseases of the Heart.
- On the Varieties of Pneumonia.
- On the Treatment of Opium Poisoning.
- On Caries of the Vertebrae.
- On Cerebral Hyperæmia.
- On Cerebral Rheumatism.
- On Cerebral Syphilis.
- On Chronic Myelitis.
- On Concussion of the Spinal Cord.
- On Congestion of the Spinal Cord.
- On Traumatic Ménière's Disease.
- On the Diagnosis of Diseases attended with Paraplegia.
- On the Diagnosis of Apoplexy.
- On Epilepsy.

Philadelphia Medical Times. Philadelphia Medical and Surgical Reporter. Seguin's Series of American Clinical Lectures.
